Community Yard Sale – June 6th, 7th & 8th

Clean out those closets and join your neighbors for our annual Community Yard Sale! It's a great chance to declutter, make a little extra cash, and meet others in the neighborhood. No registration required—just set up in your driveway and let the treasure hunting begin!

Large Item Pickup – Weekend of June 15th at Holy Love Church

We've partnered with Holy Love Church to help you get rid of those hard-to-dispose-of items. Bring your large, unwanted items to the church parking lot the following weekend after the yard sale—more details and accepted items are available on our website.

Quincy Ave Columns & HOA Sign Restoration – Volunteers Needed!

We're thrilled to announce that we've received a grant from the City of Aurora to help restore the iconic columns along Quincy Avenue and refresh our eight HOA signs. We're looking for community volunteers to help with painting and minor repairs. This is a fantastic way to give back and beautify our shared spaces—email us or visit the website to sign up.

A Blooming Success – Garden Club News

A big thank you to everyone who participated in the seed swap and composting workshop last month! These events were a huge success, and we're excited to see more green thumbs in the neighborhood. If you'd like to join the Garden Club or find out about future events, visit missionviejohoa.org.

Save The Date...

On July 23rd there will be a giant movie screen for you to bring your lawn chairs, blankets and snacks. The city of Aurora will be hosting and will be playing *Captain America: Brave New World*. Come at 5pm to get a seat and enjoy music and meet some neighbors. Movie begins around 6pm.

Storage

by: *Mary Oliver*

When I moved from one house to another there were many things I had no room for. What does one do? I rented a storage space... and filled it... Years passed. Occasionally I went there and looked in, but nothing happened, not a single twinge of the heart. As I grew older the things I cared about grew fewer, but were more important. So one day I undid the lock and called the trash man. He took everything. I felt like the little donkey when his burden is finally lifted. Things! Burn them, burn them!! Make a beautiful fire!! More room in your heart for love, for the trees! For the birds who own nothing – the reason they can fly.

Danielle truly loves her hometown of Aurora, Colorado. It's where she was born and raised, graduated from Overland High School, graduated from the Community College of Aurora, served our country honorably, started her businesses, and is raising her son.

Focusing on what's important to Aurora...

Jobs & the Economy

As a successful small business owner and entrepreneur, Danielle knows firsthand what it takes to live within a budget, make payroll, and grow a business.

Denver Chalk Art Festival

A little bit of Italy comes to The Mile High City every summer, thanks to the annual Denver Chalk Art Festival in the Golden Triangle Creative District. See hundreds of artists create vivid artworks on the streets, June 7–8, 2025.

The art you'll encounter during the Denver Chalk Art Festival isn't in galleries — it's on the pavement! The event features more than 200 professional and amateur artists who will spend hours on their creations over the course of two days. Their efforts transform the streets into a bright and colorful street museum, adorned in vivid pastel chalks.

Area schools and youth groups will have the chance to compete for cash prizes that will go to their respective school or youth group's visual arts departments. This is truly a unique way to show school spirit, team build and fundraise for school arts programs!

Creating these amazing works of art requires more than just scribbling on the sidewalk. First, the artist must draw an outline of the original painting in proper proportion using a pencil or a charcoal pastel. Then they begin to lay the base of colors. Using a number of colored pastels, the artist layers the chalk, blending the colors to create shadow, contrast and depth. The art may not last long, but that's sort of the point. The fun in this kind of art is in the performance aspect. Visitors to the Denver Chalk Art Festival are given the rare opportunity to watch as an artist transforms a spot of blank asphalt into a beautifully expressive painting.

Of course, that's not all that attendees can expect at the festival. There will be live music and a kids' corner where your young ones will get a chance to make some chalk art of their own!

Weed Your Garden Day

National Weed Your Garden Day on June 13th each year serves as a reminder to all gardeners to take an extra 5 or 10 minutes while weeding their gardens.

One of the best gardening tips is to stay in control of your garden. Unfortunately, weeds grow fast, very fast. With inattention, they can soon become overwhelming. Giving daily attention to your garden makes it easier to maintain. Weeding 5 or 10 minutes each day will make the job seem bearable. It might even be enjoyable. This way you will be in control, and the weeds will not!
