## New Year's Resolutions for Building a Healthy, Happy Life

For many people, the start of a new year marks an opportunity to reflect on their life, and think about where they would like to be in the future. And while New Year resolutions may get a bad rap for encouraging unrealistic goals or placing pressure on us, they can also be a great starting point to prioritize your health and wellness on your own terms. That may look like embracing totally attainable goals that don't focus so much on an overhaul of your current life, but more so make room for slowly adapting new routines and habits that will make you feel great about yourself.

Starting small could look like making an effort to reset your sleep schedule and prioritizing having a bedtime. Or it may start with your home, beginning to organize one room at a time, first focusing on your closet and later getting to your kitchen. Still, it could be as simple as taking control of your thoughts and incorporating inspiring quotes and daily affirmations into your morning routine. In any case, the achievable resolutions below aim to relieve stress, minimize anxiety (not add to it) and improve your overall well-being.

Even if the path to reinventing yourself starts off a little rocky, you can always get back on track at any time throughout the year. Remember 2024 is your year, so treat yourself like it! Here are some examples:

- Start a gratitude journal
  - Make time for family
  - Build a better budget
  - Practice mindfulness
  - Cook something new each week
  - Read more books
  - Create a cleaning schedule you'll stick to
  - Commit to a healthier sleep routine
  - Join a club
  - Learn to love vegetables
  - Become a plant owner
  - Take the stairs

## Master Your Finances in 2024: A Quick Checklist for Financial Success

As we usher in the new year, it's crucial to take stock of our financial health and set the stage for a prosperous future.

Here is a concise financial checklist to ensure you're on the right track in 2024:

1. **Review and Update Your Budget:** Assess your income, expenses, and savings goals. Make necessary adjustments to accommodate any changes in your financial situation.
2. **Evaluate and Adjust Investments:** Analyze your investment portfolio. Ensure it aligns with your risk tolerance and long-term goals. Consider consulting a qualified financial advisor to optimize your investment strategy.
3. **Use FSA Dollars and Make HSA Contributions:** If you have a high deductible health plan (HDHP), explore maximizing your health savings account (HSA) contributions. In 2024, the maximum contribution for an individual HSA is \$4,150, and the maximum for a family is \$8,300. If you are 55 or older, you can contribute an additional \$1,000.
4. **Emergency Fund Boost:** Aim to have at least three to six months' worth of living expenses in your emergency fund. It provides a financial safety net in case of unexpected events.
5. **Retirement Savings Reassessment:** Confirm you're contributing enough to meet your retirement goals. Take advantage of employer-sponsored plans and tax-advantaged accounts.
6. **Insurance Review:** Assess your insurance coverage, including health, life, and property. Adjust based on changes in your circumstances to ensure adequate protection.
7. **Debt Reduction Strategy:** Develop or refine a plan to reduce high-interest debt. Prioritize paying off debts to free up more money for saving and investing.

Remember, financial success is an ongoing process. Revisit this checklist throughout the year and adjust your financial strategy as needed. Rely on us as a resource. We are always available to assist you with deadlines or other issues. We are also happy to collaborate with your CPA, attorney, and other professionals you work with to help ensure that you are prepared for the coming year.

# How To Travel On Snow

## Skiing

With over 30 ski areas to choose from in Colorado, there is truly terrain for every kind of skier and snowboarder. All levels and budgets can be accommodated. There are smaller slopes perfect for learning the craft, and big giant playgrounds that keep everyone in your group entertained for days.

## Cross Country Skiing

Downhill isn't the only way to enjoy skiing in the Rocky Mountains. Nordic skiing, more often referred to as cross country skiing, is fantastic across the state. There are Nordic centers near all the favorite ski towns and resorts, plus endless miles of trails in the national forests to peruse on your own accord.

## Snowshoeing

Most of the aforementioned Nordic centers in Colorado provide access to snowshoers on their multi-use trails. Many will even have snowshoe rentals available, as do many ski resorts. It's not uncommon for ski areas to allow snowshoeing on some of their cat trails (greens), or even have separate trails completely for these winter hikers.

## Snowbiking

When written as one word, snowbiking technically implies no motor. A Snowbike® is a registered trademark that's used to glide down the slopes, similar to downhill skiing. You can rent snowbikes at a few places locally, and there are even some ski resorts that allow them on their chairlifts, such as Breckenridge Ski Resort. You then ride down the mountain as you would on your skis or snowboard, except your sitting down on a Snowbike®.

## Snow Biking

When snow biking is written as two words, it implies it has a motor. These are sort of like snowmobiles and are used in a similar fashion. There are some snow biking competitions and you could use them in the backcountry (uphill, downhill, on the flats) the same as you would a snowmobile. This version is not a registered trademark and technically needs a space between them, snow bike, however, you still might see it improperly referred to as a snowbike with one word.

## Fat Biking

These are bicycles with fat tires and thick treads that are suitable for riding on packed snow. They are becoming more popular in mountain towns, and you can often see someone riding along for fun or transportation. There are even competitions held. There are some shops in select towns that will rent you a fat bike to use for a fun day off the ski slopes.

## Snowkiting

Snowkiting is very similar to kiteboarding on water. However, you'll use skis or a snowboard instead of a surfboard. It's simpler to master kiteboarding since snow supplies less friction than water. Do note that snowkiting lessons do require you already have a snow kite and harness available.

Many people attempt snowkiting on frozen lakes, such as Lake Dillon in Summit County. An advantage is that this skill can be later applied to kiteboarding on the water during the warmer, summer weather.

### Kyla is Highly Recommended:

*"Fabulous to work with! I had the privilege of working with Kyla when my mother-in-law decided to sell her home in the Denver area and move east to be closer to us. Kyla worked tirelessly to help us! Kyla was also a source of very knowledgeable and quality services and resources. Kyla provided a list of possible services that we could use to help us with our 5 day turn around time to get the house prepared, and Kyla helped locate professionals for carpet cleaning, deep cleaning, and other things. She really went above and beyond for us. The house sold within 2 weeks. Kyla and her staff were very professional, prompt to respond to emails and texts, and overall very easy and pleasant to work with. I found Kyla to be very honest, hard working, and overall a wonderful person. I highly recommend Kyla Hammond for all of your Denver area home sales!!" ~ Kathy, Centennial, 2023*
