Trip Ideas For An Epic Spring Break Right Here In Colorado

Spring break in Colorado is a dream come true for outdoor enthusiasts, adventure seekers, and anyone looking to immerse themselves in the natural beauty of the Rocky Mountains. Whether your family craves adrenaline-pumping activities or serene moments in nature, there's something for everyone to enjoy.

Experience Rocky Mountain National Park

Rocky Mountain National Park is a must. Spring in the Rockies is the best of both worlds: the mountains are still capped in snow, wildflowers have begun to peep through the snow, and the weather is getting warmer, but the crowds still have yet to arrive.

When you take your family to Rocky, they'll gain a profound appreciation for nature. RMNP is home to some of the most epic scenery in the country, from meadows found in the montane zone to glistening alpine lakes and up to the towering mountain peaks. The park offers plenty of sightseeing, easy hikes for little ones, longer and more difficult hikes for experienced outdoorsmen, and of course, plenty of places to picnic.

If you're looking to spend multiple days exploring the park, check out accommodations in Estes Park, the quirky town that neighbors the park, for easy access.

All Things Pike's Peak

Just an hour South of Denver is the famous Pike's Peak, the highest summit in Colorado's Front Range, featuring the highest road in North America. The Pike's Peak region is full of natural wonders that can easily keep any spring breaker occupied. Pike's Peak itself is of course unmissable. While the road to the top doesn't open until Memorial Day weekend, the Pike's Peak Cog Railway runs year-round – just make sure to pack extra layers. This old timey train is tons of fun for all ages and offers spectacular 360-degree views.

On the way to Pike's Peak, you'll pass through the adorable vacation town of Manitou Springs, which could easily keep anyone occupied for a few days. The town is home to an extensive, fully operational penny arcade, dozens of art galleries and exhibits, and eight natural springs you can drink straight from, hence the town's name. For visitors looking for a challenge, the Manitou Incline is a hike up 2,744 steps at an incline of up to 68 percent. It's not for everyone, but if you're up for it, the views won't disappoint.

The area is also home to Garden of the Gods, an absolutely stunning natural landmark made up of unique red rock formations with a rich geologic history. It's worth at least driving through and walking around the accessible and scenic trails.

Mining Towns Road Trip

Colorado's gold rush started back in 1859, and it's legacy lives on today in the form of preserved mines and historic mountain towns up and down the Colorado Rockies. Spend your week or a couple of days back in the 1800s on this unique and scenic road trip.

Start your journey just half an hour from Denver in Central City, a charming town that came to be known during the Colorado Gold Rush as the "richest square mile on earth." Central City still has many of the original buildings, architecture, gold mines, and Old-West cemeteries intact. History buffs and mining enthusiasts can take a tour of the Coeur D'Alene or Hideo mines, and your kids will love panning for gold there.

Just twelve scenic miles from Central City is Idaho Springs, home to the Argo Mill and Tunnel, an old mill that was instrumental in ore processing and transportation to the Denver Mint which you can still tour today. The town offers endless charm and a great environment to spend an afternoon.

Next, head to Georgetown and ride the Georgetown Railroad, the historical railroad that miners used to transport them to mines back in the day. Today, it's a scenic route that's tons of fun for all ages. Make sure you book in advance and add on the mining tour to step into a real mine.

Southern Colorado & Great Sand Dunes National Park

Southern Colorado is its own world, and perhaps the most alien place in the region is the Great Sand Dunes National Park. This unique oasis is home to the tallest sand dunes in North America, towering over 750 feet high. Spend your days hiking, sandboarding, or simply marveling at gorgeous dunes and mountain backdrops.

The area is also home to a large selection of natural hot springs. Spend a day soaking at the stunning Mt. Princeton hot springs or the more relaxed Desert Reef Hot Springs. Of course, Southern Colorado, just like the rest of the state, is also home to many charming and quaint mountain towns. Cañon City hosts the Royal Gorge Park and Railroad, both worthy sights to add to your itinerary.

Absolutely Incredible Kid Day

On March 19th, Absolutely Incredible Kids Day encourages adults to tell kids how absolutely incredible they are. Take the challenge a step further and WRITE it down in a letter to that absolutely incredible kid. Children are amazing creatures. Their ability to learn, adapt and bring joy to the world is never-ending. Did you ever receive something in the mail as a child? Maybe it was a birthday card or a letter from grandma. Do you remember your face lighting up like a summer's day? Of course, it did! Just the act of receiving a letter just for them makes a child feel important. And when the letter tells them just how amazing they are or how someone noticed the kind deed they did, receiving a letter becomes an even bigger reward.

HOW TO OBSERVE ABSOLUTELY INCREDIBLE KID DAY

- Tell the kids in your life why you think they are incredible, amazing, inspiring, or just plain terrific!
- Make them feel even more important and write it down in a letter. How many kids do you know? They all deserve some encouragement, so make sure they get it from you.
- Create a post about an amazing child you know.
- Catch a child in the act of doing something incredible.
- Let them overhear you giving them some praise.

A St. Patrick's Day Celebration With Solas

Saturday, March 21, 2026, 7:30pm, Lone Tree Center

"Solas have become Irish America's most inventive band by mixing their Celtic roots with country and Americana in their sturdy, melodic and thoughtful songs." –The Guardian

Solas is hailed by The Boston Globe as "the finest Celtic ensemble this country has ever produced" and The Wall Street Journal as "an Irish traditional band bearing all the marks of greatness." Since forming in New York City in 1995 they have been a galvanizing element in the Irish music scene – a lightning rod of talent and inspiration that set new standards for musicianship, repertoire, and intensity. Over the course of twelve critically acclaimed albums and endless international touring, Solas brought their love and respect for the traditions of Irish music, and their sense of melodic and instrumental adventure to the world.

National Good Samaritan Day

National Good Samaritan Day on March 13th recognizes the unselfish actions of those who provide help when needed. The day is also known as Good Samaritan Involvement Day and celebrates kindness in all its forms.

HOW TO OBSERVE GOOD SAMARITAN DAY

- Make an effort to help someone who is struggling or having a problem.
- Share a story about someone who was a Good Samaritan in your life.
- The act of a Good Samaritan can be large or small. Something as simple as a phone call to as inconvenient as stopping to help change a tire are all acts of a good Samaritan.
- Make a commitment to developing a habit of kindness and awareness of others.
- Volunteer. Offer your valuable skills to others in times of need. Do you enjoy sports or have mad math skills? Your ability to mentor youth may change someone's life for the better.

JANUARY-APRIL IS THE BEST TIME TO LIST.

And this January showed that to be true. January started off 2026 with very low inventory, giving sellers this month a welcome advantage that they didn't have in the last half of 2025. The reason is simple: there are fewer homes on the market in the first part of the year so there is less competition. Buyers have often taken the holidays off from their home search and are ready to get going again in the new year. So buyers are out in full force, and there are very few homes to look at, so the homes that are listed sell better and faster than the summer and fall months when everyone else lists their homes. It is still true that homes that are in good condition and have updated interiors will sell at a higher price. Sellers who put basic preparation into their homes: fresh paint, new carpet/flooring, and staging, will get higher prices than other homes. Bottom line so far in 2026: SELLERS: List early in the year. BUYERS: Be patient because more homes will be listed every month as we march toward summer.
