## Denver Chalk Art Festival

A little bit of Italy comes to The Mile High City every summer, thanks to the annual Denver Chalk Art Festival in the Golden Triangle Creative District. See hundreds of artists create vivid artworks on the streets, June 7–8, 2025.

The art you'll encounter during the Denver Chalk Art Festival isn't in galleries — it's on the pavement! The event features more than 200 professional and amateur artists who will spend hours on their creations over the course of two days. Their efforts transform the streets into a bright and colorful street museum, adorned in vivid pastel chalks.

Area schools and youth groups will have the chance to compete for cash prizes that will go to their respective school or youth group's visual arts departments. This is truly a unique way to show school spirit, team build and fundraise for school arts programs!

Creating these amazing works of art requires more than just scribbling on the sidewalk. First, the artist must draw an outline of the original painting in proper proportion using a pencil or a charcoal pastel. Then they begin to lay the base of colors. Using a number of colored pastels, the artist layers the chalk, blending the colors to create shadow, contrast and depth. The art may not last long, but that's sort of the point. The fun in this kind of art is in the performance aspect. Visitors to the Denver Chalk Art Festival are given the rare opportunity to watch as an artist transforms a spot of blank asphalt into a beautifully expressive painting.

Of course, that's not all that attendees can expect at the festival. There will be live music and a kids' corner where your young ones will get a chance to make some chalk art of their own!

## Film on the Rocks

Film on the Rocks is one of the most Coloradan experiences you can have. Each summer, people head in droves to Morrison to visit the Red Rocks Amphitheater and watch classic movies in perhaps Colorado's most iconic setting. Many people bring a picnic dinner to eat while they enjoy the weather and pre-movie entertainment.

Films typically start around dusk, and doors open between 6:30 and 7:30 pm. This event goes on no matter the weather, so bring layers and anything else you might need if Mother Nature throws a curveball abruptly. This summer's Film on the Rocks will be held on select Mondays, mid June to mid August 2025. Film screenings include:

- June 9: **2001: A Space Odyssey**
- June 23: **Pirates of the Caribbean: The Curse of the Black Pearl**
- June 30: **Willy Wonka and the Chocolate Factory (1971)**
- July 7: **Legally Blonde**
- August 18: **Shrek 2**

## Weed Your Garden Day

National Weed Your Garden Day on June 13th each year serves as a reminder to all gardeners to take an extra 5 or 10 minutes while weeding their gardens.

One of the best gardening tips is to stay in control of your garden. Unfortunately, weeds grow fast, very fast. With inattention, they can soon become overwhelming. Giving daily attention to your garden makes it easier to maintain. Weeding 5 or 10 minutes each day will make the job seem bearable. It might even be enjoyable. This way you will be in control, and the weeds will not!

## National Movie Night

Pop some popcorn, grab a blanket and your favorite buddy, put away the cell phones and tablets, and then queue up a string of movies for a fun night of entertainment. National Movie Night on the second Friday in June encourages us to start (or restart) a tradition of movie nights with friends and family.

Movies have been bringing people together for over 100 years. The stars, the stories entertain us, connect us and help us create memories. As technology evolves, so does how we enjoy our movie nights. From the theater to reel-to-reel home movies, the VCR, DVD, and streaming, we've been enjoying movies on big and small screens. Drive-in movies invited us to enjoy films from the comfort of our cars. Today, our video library is as large as we want it to be thanks to streaming services. We can even enjoy movies in our own backyards projected onto screens under the stars.
