## How Important Is The Neighborhood Watch?

Our homes and neighborhoods are important to us. Thankfully, Acres Green has remained a very safe neighborhood with only a few incidents over the years. We have a few wonderful residents who help by driving through the neighborhood at night and keeping an eye out. Would you be willing to help, too? Even something as simple as letting a neighbor know their garage door is open- even at 11 pm – makes a difference. One of our suggestions this summer is to get together with the house closest to you on your street and behind you, exchange phone numbers, and start small. Have a small get-together and talk about your street. Please continue to look out for one another. Working together helps keep our community safe, caring, and connected.

## President's Notes

On behalf of the AGHOA, I'd like to express the board's sincere appreciation for homeowners who have paid their 2026 membership dues. Since our HOA membership is voluntary, every member who pays dues contributes to our newsletter, the dumpster day, the 4th of July party, and our anniversary celebration.

We've considered purchasing plants for the garden, and we're again requesting volunteer support to continue cleaning up and improving it. We can't accomplish community events and contribute to our neighborhood without volunteers. Please consider volunteering to improve our community.

We wish congratulations to all Acres Green Elementary School students as they complete this school year.

We're requesting input from local businesses to compile a list of services available in our area. The information will be shared on our Website and Facebook page.

## Pickleball And Flag Football In Acres Green!

Did you know that we have two residents who love Pickleball and Flag football and are willing to help coordinate games right here in Acres Green? Whether you already play or want to learn, this is a fun way to meet neighbors, get active, and enjoy the community. All ages and skill levels are welcome! Interested in joining? Contact Derek for Pickleball and Kosema for Flag Football, listed in the section.

## Community Yard Sale In Acres Green

The AGHOA will display signs for the community yard sale on the Monday before the weekend. Please submit your address and dates to [aghoaevents@gmail.com](mailto:aghoaevents@gmail.com). We will do our best to advertise.

## June 11th, Acres Green

### Homeowners Assoc. Meeting

Meeting begins at 6:30 p.m. Discussions always include the Events, Newsletter, Treasurer reports, South Suburban, and public forum. Dog scarves for the Neighborhood watch are available for pick up. We will be voting on new signs, banners for the marquee that have ripped, food for dumpster day, events, and fees for parks. All residents are asked to attend. (August 13 and October 8 are our next meetings). AGHOA Meetings are held at the Lone Tree library.

HAPPY  
FATHER'S  
DAY

## Another Meeting For Sweetwater Park?

Thank you to all who contributed to the survey about our neighborhood park. We were informed that the next community meeting is another pop-up scheduled for June 23rd from 5:30 to 7:30 pm. Location of meeting will be at the Lonetree Hub. This is our backyard please plan to attend. The first meeting had 15 residents, second meeting 35 people, let us support our neighbors.

## SSPR Update

SSPR visited Acres Green Drive recently to review the medians. Because it is still early in the growing season, they expect the shrubs and trees that currently appear stressed to recover; they will keep an eye on them. The SSPR Open Space team will be on-site this week to complete curb-edge mowing only. The area has already been seeded with a wildflower mix designed to enhance the visual character of the medians while also providing important habitat and forage for pollinators, which plays a critical role in supporting local ecosystem health and biodiversity. To realize both the aesthetic and ecological benefits of this approach, it is important that these naturalized spaces not be mowed by the community, as mowing can prevent the wildflowers from establishing and reduce their value for pollinators.

## Food Trucks Are Back!

On the second Monday of each month until September, food trucks will be coming. Coordinated for your enjoyment, not to cook, have a savory meal, and/or ice cream. In case of rain, cancellations will be posted on our Facebook, Nextdoor, and Website. Cancellations are decided at 2 pm on the day the food trucks arrive. These are food trucks that have signed up to be in our neighborhood. It was nice to see our own resident, Mile High Tikka, as the first truck in May to join us. Food trucks will be located on Maximus Drive at Lonesome Pine Park (across from Acres Green Elementary School)

**June 8th:** Happy Cones; Dude Bro Tacos; HiPOP

**July 1st:** OG Burgers; Kona Ice

**August 10th:** Samos Grill; Frosted Yeti

**Sept 14th:** Pierogies factory and another truck to be assigned

## Dog Patrol In Acres Green

Helping us advertise that we are looking out for one another is our New Dog Patrol. You will see dogs in our neighborhood wearing the new Douglas County blue dog scarves. Welcome, Remington, Raylan, Sargent, Marlies, Waffles, Rocky, Luna, Timon, Zipper, Stitches, and Bernadette.

Your \$40 membership provides you the opportunity to use the dumpster. We try our best to bring this opportunity to our neighbors. Below is a detailed list of the day. The garbage truck will be located on Maximus Drive near the Maximus Drive Park sign.

We will have a detailed list of residents who have paid the HOA dues for this year.

#### A Little Bit About Me...

Our family has been part of the Acres Green community since 2015, when we purchased our home on Saturn Drive. While we recently moved nearby, we still own our home in the neighborhood and remain closely connected to this community we've loved for years. My husband and I have raised our two boys here (now 11 and 13), and we've always appreciated the friendly neighbors, parks, and strong sense of community that make Acres Green such a great place to live. I grew up in Littleton and have been a Realtor since 2012. Helping people buy and sell homes in the communities I know and care about is one of the most rewarding parts of my work. If you ever have questions about the market or real estate in general, I'm always happy to help.
