National Parents' Day

National Parents' Day honors all parents on the fourth Sunday in July. No matter where our parents may be, this day serves to celebrate their important role in our lives. In May we celebrated mothers, and in June we celebrated fathers. It follows that in July we can bring all our parents together and show them some appreciation all at once. Parents play a vital role in the lives of children. From our birth, parents protect, teach, provide, and serve as role models. As part of a family, we look to them for guidance. We mirror their behavior and learn to be a core part of our communities.

Helping Colorado Pollinators And Wildlife With Native Plants

Pollinators have evolved to seek and find food from plants in their environment. They focus on certain colors, flower shapes, textures, and scents to find the nectar and pollen they need. Plants native to the Rocky Mountain west are naturally more attractive and important to the survival of our local pollinators.

Garden centers offer an amazing array of plants gathered from around the world and created by plant breeding facilities. Hybrids are constantly being created to offer different colors, different shapes, and different statures. Only some of these are important to the survival of key Colorado pollinators.

Pollinators require a constant supply of food, water, and shelter throughout their lifetime. A little advance planning will ensure that your yard provides these.

One key consideration is planting a mix of native plants that flower early, in the middle of the summer, and later in the fall. This provides season-long nourishment. Many plants, including penstemons, bee balm, black-eyed Susans, and blanket flowers, are popular perennials that regenerate yearly from their root system or seeds broadcast after the flowers have faded.

The same native plants that support pollinators also feed and support our local birds and animals. Birds rely on native plants including

blanket flowers, black-eyed Susans, sand cherries, choke cherries, lupines, and common yarrow for insects, nutritious seeds, and berries throughout the spring and summer nesting seasons.

Learning more about the relationship between plants and native pollinators is rewarding and environmentally valuable.

National Father Daughter Take A Walk Day, July 7

National Father Daughter Take a Walk Day is observed annually on July 7th. This day promotes the benefits of family bonding time between fathers and daughters as well as the benefits of physical activity. The memories made during your time together will stay with you forever. During the summer season, there are many incredible places to walk and enjoy nature as you spend time talking, laughing, and bonding. While taking a stroll, cherish the time spent together. Your child will value the gift of the time you give no matter how old they are.

I think of a hero as someone who understands the degree of responsibility that comes with his freedom.

–Bob Dylan

Berry Trifle

8 to 10 servings; Total Time: 30 mins

INGREDIENTS

- 1 angel food cake, cut into cubes
- 3.4 oz box instant vanilla pudding mix
- 2 cups cold milk
- 8 ounces cream cheese, at room temp
- 1 cup powdered sugar
- 8 ounces Cool Whip
- 2 pints blueberries, rinsed
- 2 pints strawberries, rinsed, hulled and sliced

INSTRUCTIONS

In a small bowl, combine the vanilla pudding mix with the milk and whisk for two minutes; set aside.

In a large bowl, beat the cream cheese on medium speed until smooth and creamy, 2 to 3 minutes. Reduce the speed to low and gradually add the powdered sugar. Once all of the sugar is incorporated, increase the speed to medium and beat for 1 minute, or until thoroughly combined and smooth.

Add the prepared pudding to the cream cheese mixture and gently fold and stir with a rubber spatula until completely combined. Add the Cool Whip to the bowl and fold it into the mixture until no white streaks remain.

To assemble the trifle, alternate layers of angel food cake, blueberries, the pudding mixture, strawberries and so on, until you get the top. Add a final layer of the pudding mixture, then arrange the remaining strawberries and blueberries in a decorative pattern. Serve immediately or cover and refrigerate until ready to serve. This is best served within 24 hours of making it, but leftovers can be stored in the refrigerator for up to 3 days.

Spend A Day At The Beach

Yes, Colorado has beaches, and what better way to spend a hot summer day than with your toes in the sand? Many reservoirs throughout the state include spacious beach spots perfect for sunbathing, swimming, picnics, SCUBA diving, and more. Notable ones include Cherry Creek State Park, Chatfield State Park, Lake Dillon Reservoir, and the Boulder Reservoir. Pack a picnic, bring some towels and an umbrella, and soak in some sun.

Summer Concert Series

The Littleton Museum and the Friends of the Library and Museum are delighted to welcome you to the museum front lawn for the 2025 Summer Concert Series. The concert series is free, with open lawn seating on a first come, first serve basis. Concerts take place on seven Wednesdays in June & July, from 6:30 p.m. - 8 p.m.

- **Wednesday, July 9, 2025 (6:30 - 8 p.m.): The Ninety Percent 90s.** A 3-piece acoustic cover band covering the best and worst hits from the 90s.
- **Wednesday, July 16, 2025 (6:30 - 8 p.m.): The ThreadBarons.** A combination of Americana, folk, classic rock, folk rock, and garage rock.
- **Wednesday, July 23, 2025 (6:30 - 8 p.m.): Dakota Blonde.** Acoustic folk, bluegrass, acoustic rock music, part singer/songwriter, and sometimes even Celtic.

The show goes on in the rain. In the event of extreme temperatures, strong wind, downpours, severe weather warnings, and/or lightning near the Museum may cancel or delay a show for a short time.
