## Denver Chalk Art Festival

A little bit of Italy comes to The Mile High City every summer, thanks to the annual Denver Chalk Art Festival in the Golden Triangle Creative District. See hundreds of artists create vivid artworks on the streets, June 7–8, 2025.

The art you'll encounter during the Denver Chalk Art Festival isn't in galleries — it's on the pavement! The event features more than 200 professional and amateur artists who will spend hours on their creations over the course of two days. Their efforts transform the streets into a bright and colorful street museum, adorned in vivid pastel chalks.

Area schools and youth groups will have the chance to compete for cash prizes that will go to their respective school or youth group's visual arts departments. This is truly a unique way to show school spirit, team build and fundraise for school arts programs!

Creating these amazing works of art requires more than just scribbling on the sidewalk. First, the artist must draw an outline of the original painting in proper proportion using a pencil or a charcoal pastel. Then they begin to lay the base of colors. Using a number of colored pastels, the artist layers the chalk, blending the colors to create shadow, contrast and depth. The art may not last long, but that's sort of the point. The fun in this kind of art is in the performance aspect. Visitors to the Denver Chalk Art Festival are given the rare opportunity to watch as an artist transforms a spot of blank asphalt into a beautifully expressive painting.

Of course, that's not all that attendees can expect at the festival. There will be live music and a kids' corner where your young ones will get a chance to make some chalk art of their own!
