Wreaths Across America Day

Saturday, December 13, 2025

National Wreaths Across America Day is the culmination of a yearlong mission to Remember the fallen, Honor those who serve and Teach the next generation the value of freedom. This mission is in part carried out each December with the placement of sponsored veterans' wreaths on the headstones of those who have served our country. The observance is designated annually on a Saturday in December by Congress.

By coordinating wreath-laying ceremonies at Arlington National Cemetery and at more than 3,100 other participating locations around the country, Wreaths Across America strives to remember our fallen heroes. The day honors those who serve. And it teaches our children about the sacrifices made by veterans and their families to preserve our freedoms. Remember. Honor. Teach.

HOW TO OBSERVE WREATHS ACROSS AMERICA DAY

All across the country, volunteers come together to lay wreaths on the grave sites of the military. You can help by volunteering, too. Bring your children, no matter their age. It's an excellent opportunity to teach them about the sacrifices our military and their families make and show respect for our military. You can also donate to make sure every fallen hero is honored. Many volunteers start by laying wreaths for their family members but find they continue to help each year. The meaning of a somber commitment of honoring service members with a wreath grows every year.

Embracing Winter: How To Protect Your Home From The Colorado Cold

Happy December! It's hard to believe how quickly 2025 has flown by. As we enjoy the final days of the year, it's also time to prepare our homes for the cold Colorado months ahead. Here are a few quick tips to help you winterize your home and stay cozy this season.

1. Protect your pipes. Last January brought bitter temperatures as low as -19°—brr! Now's the time to insulate pipes in unheated areas with foam sleeves or wraps. During the coldest nights, let faucets drip slightly to keep water flowing and prevent frozen pipes.

2. Clean your gutters. You've probably raked your fair share of leaves by now, but don't forget the gutters! Clear out any leftover debris so melting snow and ice can drain properly. This simple task helps prevent roof leaks and costly water damage once the freeze sets in.

3. Service your furnace. Replace your air filter and consider scheduling a quick furnace inspection. A tune-up now ensures your system runs efficiently—and helps avoid those inconvenient mid-winter breakdowns.

Fun Fact: Reverse your ceiling fan! Switch your fan to spin clockwise in winter. This pushes warm air down from the ceiling, improving comfort and reducing heating costs.

From all of us at Stark Real Estate Group, we wish you a warm, safe, and joyful holiday season. Merry Christmas and Happy New Year!

Looking To Get Involved And Make An Impact This Holiday?

Volunteering can be a fun and deeply rewarding experience where you can meet like-minded people, help improve lives and build a stronger community.

Here are some upcoming opportunities to engage in our community. We hope to see you this Holiday season!

1. Run a toy drive. Mile High United Way collects toys each year for our Children’s Holiday Party. This annual event, which is filled with face painting, cookie decorating, and photos with Santa, brings the spirit of the Holidays to hundreds of families in our community. Run a toy drive for the event and help bring joy to children this Christmas.

2. Support our community resource center. Our 2-1-1 Help Center serves as a critical resource and safety net for Colorado residents, particularly during the winter months. Our Resource Navigators work every day to help vulnerable people in our community gain access to basic needs like food and shelter.

3. Help children develop a love of reading. You can help a child build confidence, improve their literacy skills, and develop a love of reading. Volunteer to build literacy kits for young students or become a reading partner through our weekly Read With Me program.

4. Support people experiencing homelessness. Volunteer to put together hygiene kits for at risk individuals and families in our community. The kits, which contain a wide range of important self-care items, are distributed to people across Metro Denver who are currently experiencing homelessness. Contact us to see when you can join in on the next kit build.

5. Join a donor group. We believe the most fulfilling way to get involved is to do it together. Join a network and meet other socially minded individuals who are dedicated to creating a lasting impact. During the Holidays, our donor groups engage in a range of activities, such as creating Thanksgiving gift baskets for families in need.

6. Help a small business owner in Denver. Are you a small business expert? Volunteer your time and expertise to help small, local businesses in Metro Denver reach their growth potential through our United Business Advisory program.

7. Become an advocate. Mile High United Way works every day to remove barriers and create pathways to success for all people in our community through our policy initiatives. Become an advocate and help us change the odds and move families out of poverty.

8. Become a corporate partner. Get the whole team involved and become a Mile High United Way Corporate Partner. We’re proud to partner with hundreds of local companies to execute strong, effective CSR programs that positively impact the community while improving employee engagement and business returns.

Mile High United Way believes every person that calls Colorado home deserves the opportunity to thrive. With your support, we can continue to meet the short and long-term needs of residents in our community.
