

Westbury Spring Dumpster May 17th - May 19th

Attention all WHOA members and eco-warriors! On May 17th - May 19th (depending on available space), our community dumpster will be available for drop-off of gently used household items, upcycling materials, and more. If you're looking to declutter responsibly or contribute to sustainability efforts, this is your chance to make a difference. Please ensure your HOA membership is up to date to participate in this initiative. Additionally, we welcome donations to support our Westbury HOA. The dumpster will be located on the large burgundy hill by the park. Let's come together to give new life to unwanted items and create a greener, more vibrant community.

Memorial Day Activities With Kids

We're so excited for the summer! The pools are opening, the grill's heating up, and school's winding down. But in the midst of the fun, take a few minutes to teach your family that Memorial Day is a special time to recognize the service men and women who've fought for our country.

Explain the History of Memorial Day: The Memorial Day tradition began around the Civil War, when folks wanted to honor the soldiers who had died in that conflict by decorating their graves. There's some disagreement over whether this started in the south or in Waterloo, NY, but in either case,

the tradition started as Decoration Day. Families would gather together at cemeteries, bringing picnics and remembering, together, those whom they had lost. Gradually Decoration Day became Memorial Day, and in 1971, Memorial Day became a national holiday to be celebrated on the last Monday of May. While Memorial Day is specifically a holiday to recognize the sacrifices of men and women who have died in combat, many people also spend the

day honoring veterans and current service personnel and working for peace and unity with all people.

Watch a Parade or Memorial Service: We have some local parades, and kids love a parade, but you can also take the opportunity to point out traditions and Memorial Day etiquette. Teach children that we stand and take off hats as veterans pass in a parade. Have

them look for American flags, and point out that, officially, flags are to be flown at half-staff until noon on Memorial Day as a remembrance. During services you may also see soldiers fire rifles into the air or people throwing flowers into the ocean in memory of those lost at sea. Next time you're at your local town hall or playground, check for a memorial and take time to read it with your kids.

Make a Tasty Treat: Bring cookies or another treat to our neighbor, a World War II veteran. It's wonderful to recognize someone your kids know. But it's also fun to enjoy a treat yourselves! A simple one is a blueberry and strawberry parfait with yogurt, whipped cream, or ice cream. Put them into clear plastic containers to show the patriotic colors, and pop them into the freezer if it's a hot day.

Craft Something Special: Want to slide in a history lesson while keeping little hands busy? You can help kids make a tissue paper poppy while explaining about Memorial Day's origins, then explain that poppies, because they are blood-red, became a symbol of sacrifice during World War I. These are easy to create, and they make a lovely gift.
