Pick Peaches In Palisade

Colorado may not be known for the abundance of fruit it grows, but we are certainly proud of the peaches that come from the bountiful farms in Palisade. Found along the Western Slope near Grand Junction, the town is home to numerous farms, orchards, and vineyards that grow everything from wine-producing grapes to the juiciest peaches around.

The entire harvest season runs from late June to early October. While you can purchase Palisade peaches from almost any grocery store or at your local farmer's market, one of the most memorable ways is to pick your own. Choose from over 30 farms in the area, where you can schedule a time to stroll the fields and find the perfect peaches.

Optimism doesn't mean that you are blind to the reality of the situation. It means that you remain motivated to seek a solution to whatever problems arise.

Western Welcome Week

Western Welcome Week started as a Homecoming event for the citizens of Littleton, Colorado. Now, it has grown to a multi-day celebration of the town, complete with parades, competitions, food, vendors, and plenty of other summery festival fun for the whole family!

Join the Littleton locals as they celebrate 97 years of "Community and Friendship" through their Western Welcome Week. The 97th annual festival will be held from Friday to Sunday, August 8th to 17th, 2025, with the grand parade happening on August 16th. This year's theme is The Spirit of Generosity!

Western Welcome Week had an interesting start. The Littleton Independent newspaper was holding a celebration in honor of its 40th year in the press. This led the editor of the Independent, Houston Waring, to organize an event marking the 100th anniversary of the birth of Littleton's founder, Richard Little.

Its name was changed to Western Welcome Week in 1962 after Littleton's Chamber of Commerce decided to extend the days for celebration. The Western Welcome Week has since become a major event in the state where people come together to rejoice in the town and community they call home. There will be a lot of fun and engaging activities that will happen throughout the multi-day event.

There will be art exhibits, BBQ parties, book sales, a children's fishing derby, a live trivia challenge, a cake contest, pottery classes, a flower and car show, swing dancing, a pig roast, jazz performances, a western dance party, and outdoor concerts. The festival also aims to raise funds to help various organizations around Littleton.

Try Stand Up Paddleboarding

Cool off this summer with one of the most popular water sports in the state: stand-up paddleboarding (SUP). SUP involves standing on top of a large surf-like board while using a long handheld paddle to navigate the waters. Gaining quite a bit of popularity over recent years, it's a fun alternative to boating or canoeing at Colorado's lakes and reservoirs.

While there are plenty of spots to choose from such as Chatfield Reservoir, Cherry Creek State Park, Boulder Reservoir, and Horsetooth Reservoir, there are also several others throughout the state that make for a great day of SUPing. Here are a few notable ones: Blue Mesa Reservoir located near Durango, Grand Lake, Dillon Reservoir, Lake Pueblo State Park, and Lake San Cristobal.
