Next Board Meeting

Wednesday, July 8th, 2026
at the Clubhouse

July 2026

Vol. 33 No. 07 • Circulation: 425

Ah July, The Fun Month...

Warmer weather, it starts with a major holiday and works towards a slow progression towards having to think about school and Fall projects.

To that end, we have been busy. New pool furniture has arrived and as budget allows, there will be decorative accents and greenery added for a more inviting environment. We will also be placing a 'pod' in the SE corner of the Clubhouse parking lot, to ensure we have full protection of our new assets. This will store the pool furniture, tools and other things usually left on the deck, during the off season. We are going to work with the swim team to see if they have any artists, who would be willing to paint the pod with an appropriately themed design.

We also have riches in the Clubhouse renovation area. We have at least 3 fully qualified general construction contractors who will have provided us with quotes, by the time this newsletter is published. This will allow, really for the first time, to get quotes for the same scope of work, with the same materials being sourced. We will then hope to sign a contract for work to begin as soon as the pool closes in August. This will close a long-standing project and provide decades of enjoyment.

Unfortunately, we do not have a formally planned July 4th activity, sponsored by the HOA. The bike parade usually kicks off at 10AM in the Clubhouse parking lot, however it would be self-led as there is no coordination this year with West Metro Fire or Jefferson County Sheriff, to provide lead vehicles. We hope to gain at least two (2) additional board members, to assist with taking on community and social outreach activities, as we have had in the past.

We continue to experience extreme drought conditions but do ask that since grass surfaces will be stressed, and weeds will be more prevalent, there is a concerted effort to not allow them to overtake yards. Likewise, we are seeing an uptick in weeds utilizing whatever runoff there is, to grow in the curbs and sidewalks. Please keep an eye on those areas as well. We will continue to monitor tree management along W Meadows where there are either trees between the fenceline and resident property at the sidewalk, or overgrowth hanging lower than ten (10 feet) above the sidewalk. The grace period will extend through September, and then courtesy notices will be sent to residents formally notifying them to issues. This will be an ongoing maintenance activity, as our community continues to age and trees become more mature and spread. We thank you for the diligent efforts in ensuring common walkways are safe and usable for Woodbourne and our neighbors.

The Fun Month, *continued from front page*

Work is continuing on tennis court resurfacing and landscape renovation on the South facing areas of the Clubhouse/Pool common space. The plan is to remove the juniper bushes this fall and then be prepared to mirror the look on the North exposure of the Clubhouse along that expanse. We are also going to repair and epoxy loose capstones and patch cracks to ensure future stability of the wall that wraps the pool.

If you are interested in becoming a Board member, please reach out to any existing member, or support@ACCUinc.com and we would be ecstatic to explain the expectations, work effort and benefits given back to the community, once you join.

Train Rides In Colorado

Trains may seem old fashioned, but there's a reason they've held travelers' fascination since the 1800s. Take a step into the past and board one of Colorado's scenic train rides to see sights only reachable by rail. Carve through mountain gorges and find yourself hugging jagged cliffs on narrow gauge rails or traversing the banks of crystal-blue rivers and passing rushing waterfalls. These rails make exploring some of the state's most remote and untouched terrain accessible to all.

ROYAL GORGE ROUTE RAILROAD

Start & End Point: Cañon City

The Royal Gorge Route Railroad whisks you along the curves of the Arkansas River and past the 1,000-foot-high granite walls of the canyon the railway is named for. Book a Vista Dome seat for spectacular views out of the curved glass roof and enjoy a gourmet meal in first class accompanied by a well-curated wine, brew and cocktail list. The train's regular schedule runs year-round.

LEADVILLE, COLORADO & SOUTHERN RAILROAD

Start & End Points: Leadville and Climax

The Leadville, Colorado & Southern Railroad boasts the ideal route for seeing Colorado's vibrant wildflowers as it navigates hairpin turns along the upper Arkansas River Valley. Keep an eye out for Mount Elbert and Mount Massive, the state's two tallest peaks, as you listen to stories about Leadville's colorful mining past on this 2.5-hour round-trip journey. The train's summer schedule runs from late May to early October.

GEORGETOWN LOOP RAILROAD

Start & End Points: Silver Plume and Georgetown

Connecting the mining towns of Georgetown and Silver Plume, the Georgetown Loop Railroad was an engineering marvel of the 1800s. This short and sweet 2-mile stretch of track just three feet in width traverses through the steep and narrow canyon, corkscrewing through craggy rock walls and gaining more than 600 feet in elevation on four bridges. The railroad was one of Colorado's first tourist attractions, and remains a must-see destination for those seeking a taste of history, beautiful sights and breathtaking thrills. The Georgetown Loop's regular season runs April through October, but check their site for special winter holiday trains.

Train Rides, *continued from page 2*

DURANGO & SILVERTON NARROW GAUGE RAILROAD

Voted the No. 1 train in the country by USA Today readers in 2021 and 2022, this 1880s coal-fired, steam-powered locomotive runs 200 feet above the blue-green waters of the Animas River. As the Durango Train snakes along the river's banks and high canyon walls, expect views of majestic peaks, rushing waterfalls and remote natural areas like the Animas Gorge and San Juan National Forest. The 9.25-hour train ride includes a two-hour stop in the town of Silverton, or opt for the express ride at 5.25 hours if you're short on time. The train's regular season runs year-round.

THE BROADMOOR MANITOU AND PIKES PEAK COG RAILWAY

The Broadmoor Manitou and Pikes Peak Cog Railway — the world's highest cog railway — is easily one of the most famous Colorado train rides, with its apex at the 14,107-foot summit of Pikes Peak. Your conductor narrates the 9-mile journey with fun tidbits on area history and local lore, while you soak up views of sweeping plains and the Continental Divide. After snapping pics at the top of this Colorado fourteener, make sure you try a high-altitude doughnut at the Summit House, located in the Summit Visitor Center. The cherry-red railcars keep a year-round schedule but check for weather closures.

CRIPPLE CREEK & VICTOR NARROW GAUGE RAILROAD

Start & End Points: Cripple Creek and Victor

Clamber onto the open-air cars of the Cripple Creek & Victor Narrow Gauge Railroad, pulled by a 15-ton "iron horse" of a locomotive. Several stops along the route of this family-owned railroad provide views and photo ops of Pikes Peak and old mining camps, as well as the opportunity to hear the train whistle ricochet off the walls of Echo Valley. The 45-minute ride is fully narrated, with the conductor sharing wonderful facts about the history and scenery around Cripple Creek. The train's regular schedule runs rain or shine, from late May to early October.

Be Someone Day

On July 21, National Be Someone Day challenges each of us to take ten seconds to make a difference in a child's life.

What can you do in ten seconds? We can shift gears or water a plant. We can hear or tell a bad joke. In ten seconds, we can change our minds, and after doing so, say a prayer of thanks. When we walk into a room, in that time, we can register the pain in someone's eyes and begin to provide comfort. We can praise and honor someone who deserves it.

Father Daughter Take A Walk Day: July 7th

National Father Daughter Take a Walk Day is observed annually on July 7th. This day promotes the benefits of family bonding time between fathers and daughters as well as the benefits of physical activity.

The memories made during your time together will stay with you forever. During the summer season, there are many incredible places to walk and enjoy nature as you spend time talking, laughing, and bonding. While taking a stroll, cherish the time spent together. Your child will value the gift of the time you give no matter how old they are.
