National Father Daughter Take A Walk Day, July 7

National Father Daughter Take a Walk Day is observed annually on July 7th. This day promotes the benefits of family bonding time between fathers and daughters as well as the benefits of physical activity.

The memories made during your time together will stay with you forever. During the summer season, there are many incredible places to walk and enjoy nature as you spend time talking, laughing, and bonding. While taking a stroll, cherish the time spent together. Your child will value the gift of the time you give no matter how old they are.

National Parents' Day

National Parents' Day honors all parents on the fourth Sunday in July. No matter where our parents may be, this day serves to celebrate their important role in our lives. In May we celebrated mothers, and in June we celebrated fathers. It follows that in July we can bring all our parents together and show them some appreciation all at once. Parents play a vital role in the lives of children. From our birth, parents protect, teach, provide, and serve as role models. As part of a family, we look to them for guidance. We mirror their behavior and learn to be a core part of our communities.

Spend A Day At The Beach

Yes, Colorado has beaches, and what better way to spend a hot summer day than with your toes in the sand? Many reservoirs throughout the state include spacious beach spots perfect for sunbathing, swimming, picnics, SCUBA diving, and more. Notable ones include Cherry Creek State Park, Chatfield State Park, Lake Dillon Reservoir, and the Boulder Reservoir. Pack a picnic, bring some towels and an umbrella, and soak in some sun.
