Clean Up Your Room Day

Spring cleaners get their wish granted each year when National Clean Up Your Room Day arrives on May 10th. Children often dread this parent-appreciated day. Though, some years, the observance arrives with perfect timing for Mother’s Day!

However, the observance doesn’t only target kids. It is also about picking up, straightening up, and cleaning up the whole house. Adults take spring cleaning seriously, and homes get aired out. They organize, de-clutter, and rearrange. It’s time to fix the broken and match up missing parts, like with like. We tackle cluttered closets and donate or throw away those things we no longer use. Help your children make their beds, clean their rooms, and eliminate the toys and clothing they have outgrown.

Help Protect Loved Ones From Scams

In part from the Jeffco Sheriff's Behind the Badge Newsletter

Our victims of scams are not numbers, however; they're real people. People like Susan, who was victimized and whose name we have changed to tell her story.

Susan, 76, got a call from a man claiming to work for an Internet provider. He told her that while he was checking her Internet speed, he noticed she had a \$500 credit on her account for services she was entitled to but did not use. He instructed her to get on her computer and when she did, a page was already open that she did not recall opening. The caller told Susan she had accidentally hit a button that selected a refund of \$5,000 instead of \$500. The caller then told Susan he would lose his job if he didn't get the extra \$4,500 back.

The caller instructed Susan to withdraw \$4,500 from her bank and purchase nine \$500 gift cards. He stayed on the phone with Susan while she went to the bank and two separate stores to purchase the gifts cards. During the call, Susan asked him several times if he was scamming her. He said no. Once she had the gift cards, the caller instructed her to tell him the gift card numbers and security codes. Susan did. After the call ended, Susan tried calling his phone number back but the number was disconnected.

Unfortunately Susan was scammed for \$4,500.00. Could the same happen to your parents? Your grandparents? Even you? Scams come in many forms, but how we should respond to them is the same:

- Do not answer calls from unknown numbers. If it's important, they'll leave a message.

- Do not provide personal information on the phone or in an email or text message to anyone you do not know. Personal information includes date of birth, social security number, credit card numbers, and bank account information.
- Do not withdraw money, send money, purchase gift cards, or make other financial transactions for someone you do not know.
- If you suspect it's a scam, end all communication – hang up the phone or delete the email or text message.
- If you have been scammed or your personal information has been used without your knowledge or permission (for example, a new credit card arrives in your name), report it to local law enforcement immediately (and cancel the card!).

One of the best ways to help protect your older loved ones from being scammed is to talk to them about common scams and how to avoid them. For more information, visit <https://www.jeffco.us/985/Scams>.

Memorial Day Activities With Kids

We're so excited for the summer! The pools are opening, the grill's heating up, and school's winding down. But in the midst of the fun, take a few minutes to teach your family that Memorial Day is a special time to recognize the service men and women who've fought for our country.

Explain the History of Memorial Day

The Memorial Day tradition began around the Civil War, when folks wanted to honor the soldiers who had died in that conflict by decorating their graves. There's some disagreement over whether this started in the south or in Waterloo, NY, but in either case, the tradition started as Decoration Day. Families would gather together at cemeteries, bringing picnics and remembering, together, those whom they had lost. Gradually Decoration Day became Memorial Day, and in 1971, Memorial Day became a national holiday to be celebrated on the last Monday of May. While Memorial Day is specifically a holiday to recognize the sacrifices of men and women who have died in combat, many people also spend the day honoring veterans and current service personnel and working for peace and unity with all people.

Watch a Parade or Memorial Service

We have some local parades, and kids love a parade, but you can also take the opportunity to point out traditions and Memorial Day etiquette. Teach children that we stand and

take off hats as veterans pass in a parade. Have them look for American flags, and point out that, officially, flags are to be flown at half-staff until noon on Memorial Day as a remembrance. During services you may also see soldiers fire rifles into the air or people throwing flowers into the ocean in memory of those lost at sea. Next time you're at your local town hall or playground, check for a memorial and take time to read it with your kids.

Make a Tasty Treat

Bring cookies or another treat to our neighbor, a World War II veteran. It's wonderful to recognize someone your kids know. But it's also fun to enjoy a treat yourselves! A simple one is a blueberry and strawberry parfait with yogurt, whipped cream, or ice cream. Put them into clear plastic containers to show the patriotic colors, and pop them into the freezer if it's a hot day.

Craft Something Special

Want to slide in a history lesson while keeping little hands busy? You can help kids make a tissue paper poppy while explaining about Memorial Day's origins, then explain that poppies, because they are blood-red, became a symbol of sacrifice during World War I. These are easy to create, and they make a lovely gift.
