Letter From The President Happy Halloween!

It is finally fall! We don't have many leaves that have fallen so we have not scheduled a Dumpster Day yet. We will send out a community email when we have a date in November.

Be a courteous neighbor and remember to pick up after your dog when you are walking in the neighborhood. If you have any outside projects, please remember to fill out the form for the ACC committee.

Please remember that our children are back in school. Watch out for the school zones, buses, and children on their bikes.

We have a neighbor on 6523 Owens Ct. who decorates her whole first floor for Halloween. They are graciously inviting everyone to come over from 6:00pm to 7:30pm on October 31st. Please remember to be respectful.

Don't forget to winterize your sprinklers in October! The time change is November 5th! Don't forget to change those clocks.

Haunted Houses

Slaughter Gulch, Franktown

Wander through the chilling corn maze and find your way down to Slaughter Gulch. What will be lurking around each corner and watching each step you take as you make your way through the haunted trail.

13th Floor, Denver

The 13th Floor boasts over 15 years of scaring Denver and has a good reputation as one of Denver's scariest. It's open for two weekends after Halloween and is recommended for children over 11. This year's attractions include Primal Fear, Midnight Mania, and All Hallow's Eve.

The Nightmare Compound, Westminster

The oldest and longest-running haunted house in Denver, for the last 28 years The Nightmare Compound has been scaring the socks off Front Range residents. There are two haunted experiences featured here, both located in Westminster.

Frightmare Compound Westminster LogoFrightmare Compound – Founded in 1983 by Brad Holder, this Westminster haunted house was the first. He painstakingly crafted the compound for 16 years before falling ill. They say his body is buried deep within the haunted house, making this one of the most authentic.

Lights Out – Hosted on special nights, you and your friends are alone in the compound, lost in absolute darkness!

Haunted Houses, *continued from front page*

City of the Dead Asylum, Henderson

Now situated in the City of the Dead, The Asylum dubs itself as “Denver’s Favorite Haunted House”. It’s interactive and places you into a make-believe scenario. It’s not recommended for children under the age of 12. Situated north of Denver in Henderson, there are a few attractions all in one place.

Scared crazy patients inhabit The Asylum. Visitors here are welcome to roam the grounds on their own and partake in the recreational amenities. But be careful not to venture too far or chance vanishing into the void. Watch out for the delusional patients and the terrifying world in which they reside.

Terror In The Corn, Anderson Farms, Erie

Terror In The Corn is a 10-acre, mile-long attraction offering a terrifyingly immersive experience into a world of the unknown. You and your friends will wind your way through a massive corn field filled with your darkest fears... leading to the town of Raven’s Gulch where you will make your way through its abandoned buildings and darkened streets to face the nightmares that greet you at every turn.

The Ritual Haunted House, Englewood

The Ritual begins inside a rickety shack, held up solely by the souls of the damned. You will be pushed through the murky swamp, carried on the tails of an equal sense of dread and wonder as you battle your way through the choking despair of a bloody cannibal’s lair. If you make it out, be careful not to slip down the banks into the water where victims doomed to an eternity thrashing around the very swamps that stole their souls await to claim you as one of their own.

Haunted Field of Screams, Thornton

The Haunted Field of Screams is Colorado’s largest scream park where terror grows fresh every year. Backing the famously haunted Riverdale Road in Thornton, Colorado, the iconic 40-acre corn field attraction will transform into an all-new scream park for the 2018 season. Four contrasting interactive haunt experiences will prey on individual’s innermost fears.
